REFRESHMENTS!

RAFFLE PRIZES!

In a disaster, we might be on our own for a period of time...

If you...

take medications, use a device for mobility, have poor hearing or vision or care for someone with special needs...

ARE YOU PREPARED?

People with special needs require extra planning for emergencies. Join our panel of experts and learn best practices for being prepared as well as what and when services might be available from the city, supporting organizations, and from the neighborhoods!

Tuesday, May 5th, 2:30 PM to 4:30 PM - Free
