

Midtown Residents Association

(www.midtownresidents.org)

invites you to learn about **Native Plants for home gardens and plant arrangement**

Concerned about water restrictions but still want a lovely garden? Ever wonder how Native Plants can be used for your home gardens and arrangements for accentuating your home or business?

April 11-19 is California Native Plant Week

Event Information:

Date: April 11, Saturday, 3:30-5:30pm

Place: First Christian Church Fellowship Hall, 2890 Middlefield Road
(in the same lot as Keys School)

Topic: Talk and showcase: “ Easy to Grow Native Plants – a viable Alternative to Lawns in Home Gardens” by Radhika Thekkath of California Native Plant Society, Santa Clara Valley Chapter.

Showcase: California Native Plants plant arrangements by Karen of Nature's Alley – Midtown's own Florist.

Cost: Free

Extra: Plant and seed sale at end of event
